New Medicare Card: Provider Ombudsman Announced

The Provider Ombudsman for the New Medicare Card serves as a CMS resource for the provider community. The Ombudsman will ensure that CMS hears and understands any implementation problems experienced by clinicians, hospitals, suppliers, and other providers. Dr. Eugene Freund will be serving in this position. He will also communicate about the New Medicare Card to providers and collaborate with CMS components to develop solutions to any implementation problems that arise. To reach the Ombudsman, contact: NMCPProviderQuestions@cms.hhs.gov.

The Medicare Beneficiary Ombudsman and CMS staff will address inquiries from Medicare beneficiaries and their representatives through existing inquiry processes. Visit Medicare.gov for information on how the Medicare Beneficiary Ombudsman can help you.
