

AMENDMENT TO PREMERAFirst PROVIDER AGREEMENT

The Agreement entered into by and between PremeraFirst, Inc., (“Intermediary”) which serves as the contracting agent for Premera Blue Cross, LifeWise Health Plan of Washington and LifeWise Assurance Co. (“Plan”) and Provider is hereby amended effective January 15, 2025. This amendment applies to all subcontracts entered into by Provider for the provision of Covered Services under the Agreement. Provider must ensure that all such subcontractors receive a copy of this Amendment. This Amendment is in addition to the Agreement and does not replace or supersede the Agreement. The Agreement, except as specifically modified herein, shall remain in effect.

The Agreement is amended as follows:

1. **PART 3, Section 3.05, (“Administrative Rules, Procedures and Policies”)**: this section is deleted in its entirety and replaced with the following:

- Payment Policy;
- Care management programs;
- Prescription Drug Utilization Exemptions;
- Billing procedures and standards; and
- Other matters that relate to Provider's provision of Covered Services to Enrollees and compliance with this Agreement.

Plan will, upon request, make such administrative rules, procedures, programs, and policies available to Provider on Plan’s website or via hard copy at the option of Plan and will inform Provider of any material revisions to the referenced rules, procedures, programs, and policies.”

2. **PART 3, Section 3.16, (“Audio-Only Telemedicine Consent”)**: a new Section 3.16 is added to the Agreement as follows:

“Provider agrees audio-only telemedicine billing requires advance consent from the Enrollee. Failure to obtain Enrollee consent could result in disciplinary action against Provider.”

3. **PART 3, Section 3.17, (“Telemedicine Payment Parity”)**: a new Section 3.17 is added to the Agreement as follows:

“Plan will compensate Provider for telemedicine services at the same amount of compensation Plan would pay Provider for in-person services. However, Plan may negotiate a telemedicine amount of compensation that differs from in-person services for:

- provider groups consisting of 11 or more providers.

Plan may negotiate payment of facility fees for telemedicine services that originate at:
