

LIFEWISE HEALTH PLAN OF WASHINGTON PLAN FEE SCHEDULE ADDENDUM

EFFECTIVE: January 15, 2025

The provisions set forth in this Addendum are being added to the Agreement to define and identify compensation components of the LifeWise Health Plan of Washington Plan Fee Schedule. The provisions set forth in this Addendum apply with regard to Covered Services rendered to Participants covered under self-funded plans or any plans regulated by Washington law.

1. 2024 RBRVS, unadjusted by GPCI, using both non-facility practice expense and facility practice expense units determined by the setting in which the service occurs. RBRVS relative values will be supplemented with the Optum Comprehensive Listing of RBRVS Values.
2. RBRVS based services will be allowed at the following LifeWise Health Plan of Washington Plan Fee Schedule conversion factors:
 - Evaluation and management (99201–99499), except as stated below \$43.35
 - Preventive medicine (99381–99429) \$49.15
 - Physical medicine (97000–97999) \$33.70
 - Vision (92002, 92004, 92012, 92014, and 92015) \$33.80
 - Behavioral health (90785–90899) \$39.50
 - Lab and pathology (80000–89999) \$32.7442**
 - Chiropractic and osteopathic manipulation (98925-98929, and 98940-98943) \$28.85
 - All other RBRVS-based services not listed above \$45.70

**Applies to codes not included in the 2024 CMS CLAB fee schedule and codes that do not have Medicare Status Indicator “A.” Lab codes with Medicare Status Indicator “A” are calculated with the RBRVS conversion factor \$45.30.

- PhDs will be reimbursed at 90% of the LifeWise Health Plan of Washington Plan Fee Schedule described herein.
 - Nurse Practitioners, Naturopathic Practitioners, Physician Assistants, Advanced Registered Nurse Practitioners, Pharmacists, Acupuncturists and Dietitian & Nutritional Service Providers will be reimbursed at 85% of the LifeWise Health Plan of Washington Plan Fee Schedule described herein excluding covered supplies, drugs, laboratory, radiology services, immunizations, durable medical equipment, orthotics and prosthetics.
 - Masters level therapists and Licensed Behavioral Analysts will be reimbursed at 75% of the LifeWise Health Plan of Washington Plan Fee Schedule described herein.
3. **Anesthesia:** Codes (00100–01999) are reimbursed using current year RVUs (base units) published by the American Society of Anesthesiologists.
 - Anesthesia conversion factor is \$53.50.
 - Time units are based on a four-unit clock with the exception of OB/labor management, which is based on a three-unit clock for the first hour and a two-unit clock for each consecutive hour.
 - Pain management is reimbursed using 2024 RBRVS and conversion factor \$45.70.

4. **Immunizations and Vaccines:** 125% of Average Sales Price (ASP). Codes without ASP are allowed at 100% of the Average Wholesale Price (AWP).
5. **Office-Infused Drugs:** Each office-infused drug is categorized into one of three distinct tiers by calculating the ratio of the Medicare-published ASP price to a drug's published WAC (Wholesale Acquisition Cost).
 - Each of the three tiers has a specific percentage mark-up of ASP.
 - Drugs with an ASP/WAC ratio less than 50% will receive 160% of ASP.
 - Drugs with an ASP/WAC ratio greater than or equal to 50% and less than or equal to 85% will receive 125% of ASP.
 - Drugs with an ASP/WAC ratio greater than 85% or with ASP and without WAC pricing will be reimbursed at 112% of ASP.
 - Drugs without ASP and WAC pricing will be priced at 85% of AWP.
 - Updates of ASP rates occur in March and September annually, at which time LifeWise Health Plan of Washington will also update the tiering.
6. **Clinical Lab:** 90% of the CMS 2024 WA CLAB fee schedule.
7. **Parenteral/Enteral Nutrition Codes (PEN):** 100% of the CMS January 2024 WA Non-Rural PEN fee schedule.
8. **Durable Medical Equipment (DME):** 85% of the CMS January 2024 WA Non-Rural DMEPOS fee schedule, except as stated below.
9. **Internal Company Pricing:** For some services external pricing sources do not exist or do not provide suitable pricing. LifeWise Health Plan of Washington will determine the allowed amounts for these services. They include, but are not limited to:
 - Massage therapy code: 97124, \$16.00
 - Radiopharmaceuticals: 95% of AWP. If AWP doesn't exist, Medicare allowable may be used
 - Speech therapy code: 92507, \$125.00
 - Vision codes: S0620, \$171.52; S0621, \$146.29
 - ABA codes: 97151, \$50.40; 97153, \$15.00; 97154, \$15.00; 97155, \$39.48; 97156, \$39.48; 97158, \$39.48; H0031, \$201.57; H0032, \$157.89; H2014, \$15.00; H2019, \$39.48
 - CPAP devices: 115% of CMS January 2024 WA Non-Rural DMEPOS fee schedule
