REGENCE BLUESHIELD PART 2 PROGRAM PROVIDER ADDENDUM

This Addendum ("Addendum"), effective **February 15, 2026** ("Effective Date") is entered into by and between Regence BlueShield ("Regence") and **Provider**, and each entity set forth on Attachment B as applicable (collectively "Provider").

1. Substance Use Disorder Claims and Information. If Provider treats or diagnoses patients for Substance Use Disorders or refers patients for treatment of Substance Use Disorders and is subject to the Confidentiality of Substance Use Disorder Patient Records Rule (42 C.F.R. Part 2) as a Part 2 Program, Provider shall comply with the terms of this Addendum with respect to any claim or other communication it submits to Regence that contains Patient Identifying Information. Regence payment of such claims is contingent upon compliance with these requirements.

- a. Definitions.** For purposes of this Addendum, the capitalized terms "Part 2 Program," "Patient Identifying Information," and "Substance Use Disorder" shall have the meanings provided in 42 C.F.R. § 2.11. Other capitalized terms will have the meanings established in this Addendum or elsewhere in the Agreement, as applicable.
- b. Consent.** Provider is prohibited by law from disclosing Patient Identifying Information to Regence without obtaining the patient's consent. Regence is prohibited by law from using Patient Identifying Information to pay any claim (or to process other information) in the absence of such consent. Accordingly, by submitting any claim (or other record) that contains Patient Identifying Information to Regence, Provider represents and warrants that Provider has first obtained patient consent (i) for Provider to use and disclose the Patient Identifying Information for treatment, payment, and health care operations and (ii) for Regence to use and redisclose the Patient Identifying Information for treatment, payment, and health care operations, as permitted by 42 C.F.R. § 2.33. The patient consent should be substantially in the form that meets the requirements established in the Provider Web Site under Claims and Payment>Claims Submission>Other Billing Information. Regence reserves the right to deny payment of any claim (and the right to refuse to process other information) in the event that Provider fails to obtain such consent.
- c. Notice.** Provider is prohibited by law from disclosing Patient Identifying Information to Regence pursuant to the patient's consent, unless it includes with the Patient Identifying Information a specific statement to notify Regence that the information is subject to Substance Use Disorder confidentiality restrictions (the "Part 2 Disclaimer"). Accordingly, Provider shall include the Part 2 Disclaimer with any claim (or other record) that contains Patient Identifying Information when submitting the claim (or other information) to Regence. Specifically, Provider shall include the Part 2 Disclaimer in the manner established in the Provider Web Site under Claims and Payment>Claims Submission>Other Billing Information. Regence reserves the right to deny payment of any claim (and the right to refuse to process other information) in the event that Provider fails to include the Part 2 Disclaimer in a communication containing Patient Identifying Information.
- d. Audits and Evaluations.** Upon request, Provider shall provide to Regence Patient Identifying Information that Regence deems reasonably necessary to perform evaluations, audits and health care operations, including, but not limited to, utilization review, quality assessment and improvement activities (such as collection of HEDIS data), and reviewing qualifications of health care providers. For purposes of any such request, Regence agrees that it will:
 - i. Maintain and destroy the Patient Identifying Information in a manner consistent with 42 C.F.R. § 2.16;
 - ii. Retain records that contain Patient Identifying Information in compliance with applicable federal, state, and local record retention laws; and
 - iii. Comply with the limitations on disclosure and use of Patient Identifying Information in 42 C.F.R. § 2.53(d).

Provider is permitted to make such disclosures pursuant to 42 C.F.R. § 2.53(b).
