Subject: TriWest Veterans Choice Program

Dear Provider,

Regence BlueShield has partnered with TriWest to administer the TriWest Veterans Choice Program. TriWest is looking to expand its radiation oncology network in Lewis County, Washington. In 2014, Congress introduced and President Obama signed into law the Veterans Access, Choice and Accountability Act. Section 101 of this act established the Veterans Choice Program (VCP) and went live on November 5, 2014. VCP allows Veterans to seek care in the civilian community when the closest VA Medical Center or Community-Based Outpatient Clinic with a full time primary care manager is greater than 40 miles from the Veterans home; or the Veteran are, or will be, on a wait list of 30 days or more with a VA Medical Center.

If the Veteran meets any of the above criteria the VA will refer the Veteran to TriWest. TriWest will refer to the Choice Provider Network and assist the Veteran in setting up the appointment. Once you notify TriWest you can see the Veteran, TriWest will notify the Veteran of the appointment date and fax over the authorization for services to your office. The authorization form lists the authorization period and what services are covered. Please note all services under the Choice Program must be authorized by TriWest. Reimbursement under the Choice Program is 100% of the CMS fee schedule.

To register as a VCP provider please click on the following link
<https://joinournetwork.triwest.com/Forms/Request/Add.aspx?P=Choice>.

The link will take you to the TriWest Provider Registration page. On this page please fill out all required fields marked with a red asterisk. Once you have completed the online registration form click submit. After you click submit you will need to either email or fax a copy of your W-9 to TriWest. The fax number is 866-269-5891, or the email address is choiceprovider@triwest.com. Once you submitted your registration and W-9, TriWest will process the registration and send you a welcome packet.

Please let me know if you plan to participate in the program or if you have any further questions.

Sincerely,

Syed Yusuf Ali
TriWest Provider Network Executive
