www.TriWest.com

**To:** Gregory Allen  
**Fax:** (360) 412-8970  
**Phone:** (360) 412-8690

**Veteran Name:** Johnnie Merrill Woody  
**Last 4 of SSN:** XXX-XX-0954  
**Veteran DOB:** 05/05/1949 **Gender:** M  
**Authorization Number:** 0003319710  
**Appointment Date:** 03/08/2017

**RE: Veteran and Authorization Information - CHOICE**

Use this form as a coversheet to submit medical documentation and convey appointment status or changes.

**Methods of Submission:**

- Upload Medical Documentation via Secure Account on TriWest's Provider Portal: [www.TriWest.com/provider](http://www.TriWest.com/provider)
- General Fax: 1-866-259-0311
- Behavioral Health Fax: 1-866-284-3736

**Critical Results and Test Results:**

VA requires critical medical information to be reported directly to the referring VA Medical Center within 24 hours for newly identified suicide risk or critical test result. A new cancer diagnosis needs to be reported to the VAMC POC within 48 hours.

- **Critical Findings:** Test result or interpretation that, if left untreated, could be life threatening or place the Veteran at immediate serious health risk.
- **Patient Safety Events:** Situations which put a Veteran's health or safety at risk (i.e. falls, assaults, medication errors, etc.) Notifications are held in strict confidence.
- **Keep TriWest Informed!** We have included a Critical Findings & Patient Safety Event Notification Form (the last page of this packet) you may submit with medical documentation directly to our Clinical Quality Management Department, assuring TriWest is updated regarding findings reported to the referring VAMC.

**Medical Documentation:**

- Register for a secure account on TriWest's Provider Portal at [www.TriWest.com/provider](http://www.TriWest.com/provider) and upload medical documentation directly. Documents up to 5 MB can be uploaded in PDF or TIF format.
- Medical documentation MUST be signed/e signed by the provider, and MUST have a second identifier with the patient's name (i.e. DOB, last 4 of SSN, or VA authorization number).
- If unable to access the Provider Portal, fax medical documentation to TriWest using the fax numbers listed above.
- Do NOT attach medical documentation to your claim submission to WPS.

**Appointment Information** - Our team of patient service representatives will call your office to schedule an appointment on behalf of the Veteran. If a Veteran calls your office directly to schedule or change an appointment please notify TriWest at Choice line at 1-866-606-8198.

- Was the Veteran a "No Show" for the initial visit? If yes, check here. ☐
- Did the Veteran cancel the initial appointment? If yes, check here. ☐
- Was the Veteran's initial appointment rescheduled?  
Rescheduled Appointment Date: \_\_\_\_\_ at \_\_\_\_\_ ; \_\_\_\_\_
- Does the Veteran have additional appointments scheduled?  
Veteran's Next Appointment Date: \_\_\_\_\_ at \_\_\_\_\_ ; \_\_\_\_\_
- Is the episode of care completed and no follow up appointments planned? If yes, check here. ☐

**Secondary Authorization Request (SAR):**

A SAR is required and must be approved prior to service being rendered in an inpatient setting, outside the validity dates or with a different provider.

- Refer to the list of covered codes at: [www.triwest.com/provider/authorization-codes](http://www.triwest.com/provider/authorization-codes).
- The SAR form can be found at: [www.TriWest.com/provider-forms](http://www.TriWest.com/provider-forms)

**Thank you for caring for our nation's Veterans!**

This fax is intended for the use of the person or office to which it is addressed and may contain information that is privileged, confidential or protected by the law. All others are hereby notified that the receipt of this fax does not waive any applicable privilege or exemption for disclosure and that any dissemination, distribution, or copying of this communication is prohibited. If you have received this fax in error, please notify this office immediately at the phone number list above. Thank you.

TriWest, under contract with the Department of Veterans Affairs (VA), is authorizing you to provide medical care for this Veteran. This authorization is limited to the services described below and on any VA documentation that may be attached. Any care needed in an inpatient setting, outside the validity dates, or with a different provider, must be requested using a Secondary Authorization Request (SAR), and approved prior to service. **You must bill TriWest for any services performed under this Authorization and the Veteran shall not be billed, unless permitted in writing by TriWest.** This is not a guarantee of payment; TriWest, in its sole discretion, may deny reimbursement for any services not expressly authorized, or that are otherwise improper. TriWest follows Medicare Coding and Reimbursement Guidelines.

| PROCEDURE                                                                                            | CODE RANGE    | QTY | TYPE   | APPOINTMENT INFO    |

| All appropriate Medicare covered services for Radiation Therapy in the office or outpatient setting. |               |     |        |                     |
| Leuprolide Acetate Suspension                                                                        | J9217 - J9217 | 9   | Visits |                     |

Any routine lab testing, x-rays, cardiology testing, immunizations and specific preventive care services when medically necessary for the authorized care, are included in this authorization, whether conducted in the provider's office or by a third-party. These services do not require a Secondary Authorization Request Form. Be sure to include this letter's authorization number on the order form for these services. Instruct the lab to include the authorization number when billing TriWest.

**This authorization includes services for Radiation Therapy.**

- All services must be medically indicated in both the frequency and dosing utilized
- For additional details regarding approved use of Intensity modulated radiation therapy (IMRT), refer to [www.triwest.com/provider-radiation](http://www.triwest.com/provider-radiation)

**Prescription Fulfillment Information**

Under the Department of Veterans Affairs (VA) Patient-Centered Community Care Program (PC3) and Veterans Choice Program (VCP), VA is primarily responsible for supplying Veterans with non-urgent/emergent medications.

All medications must be prescribed in accordance with the VA National Formulary. [www.triwest.com/provider-pharmacy](http://www.triwest.com/provider-pharmacy)

VA will provide all DME not bundled under other health care services (e.g. hardware used in orthopedic surgery, prosthetic valves in cardiac surgery, etc).

**Key Points to Remember**

- Always fax *both the authorization and prescription* to the appropriate VA medical center. If the Veteran prefers to take his or her prescription to the pharmacy, he or she will also need to bring the authorization. VA Pharmacy fax numbers can be found on the TriWest Provider Portal under: [www.triwest.com/provider-pharmacy](http://www.triwest.com/provider-pharmacy)
- Providers may write a prescription for a Veteran as part of an episode-of-care authorized by TriWest.
- Medications may be filled at either a VA Pharmacy or Consolidated Mail Outpatient Pharmacy (CMOP).
- If the Veteran needs a medication that's *not* on VA's National Formulary, the provider needs to fill out a Formulary Request Review Form and submit it to VA. Turnaround time is usually about 96 hours. The form can be found under: [www.triwest.com/provider-pharmacy](http://www.triwest.com/provider-pharmacy)

**"Whatever It Takes"**

**Terms and Conditions**

By accepting this Authorization, you are bound by the Terms and Conditions Applicable to Care Provided to Qualifying Choice Card-Eligible Veterans, a copy of which has been provided to you, and may be obtained online at [https://joinournetwork.triwest.com/documents/TriWest\\_VCP\\_Terms\\_and\\_Conditions.pdf](https://joinournetwork.triwest.com/documents/TriWest_VCP_Terms_and_Conditions.pdf)

**Non-Urgent/Emergent Medications**

VA allows PC3 or VCP providers to write prescriptions for a Veteran, as long as the medication is prescribed during an authorized episode-of-care. Providers should follow the rules of the VA National Formulary when prescribing. Be sure to fax *both the authorization and prescription* to the appropriate VA medical center. If the Veteran prefers to take his or her prescription to the pharmacy, he or she will also need to bring the authorization letter.

**Urgent/Emergent Process**

PC3 or VCP providers may also prescribe a Veteran medication for urgent or emergent care. In this case:

- Write a prescription for a 14-day supply without refills.
- If additional medication is needed after the 14-day supply, write a second prescription to be filled at a VA Pharmacy or CMOP.
- If the prescription is for a non-formulary drug, the provider may write an initial 14-day supply. However, if the medication needs to be continued, fill out the Formulary Request Review Form and submit it to VA for consideration.

**Heritage Health Solutions for Non-VA Pharmacies**

Some VA medical centers have developed a partnership with Heritage Health Solutions to prevent Veterans from paying out-of-pocket costs should urgent/emergent medications need to be filled at a non-VA pharmacy. Please visit [www.triwest.com/provider-pharmacy](http://www.triwest.com/provider-pharmacy) for examples of Heritage documents, including a welcome letter and purchase care certificate, from VA in Northwest Oregon and Southwest Washington.

## TERMS AND CONDITIONS APPLICABLE TO CARE PROVIDED TO QUALIFYING CHOICE CARD-ELIGIBLE VETERANS

**A. GENERAL**

1. In accordance with the Veterans Access, Choice, and Accountability Act of 2014 (the "Act") (Public Law 113-146, 128 Stat. 1754), as amended by the Department of Veterans Affairs Expiring Authorities Act of 2014 (Public Law 113-175, 128 Stat. 1906), and 38 CFR § 17.1515, any Provider rendering services to eligible beneficiaries ("Eligible Veteran") of the Department of Veterans Affairs' Choice Card program (the "Program") (as set forth in 38 CFR §17.1510 and any other applicable eligibility standards regarding particular healthcare services (e.g., health care for a newborn child of a Veteran under 38 CFR 17.38(a)(xiv)) certifies that such Provider complies with the requirements contained herein and will be reimbursed for services according to the terms of this Agreement.
2. This Agreement is made by and between TriWest Healthcare Alliance ("TriWest"), in its capacity as a contractor to the Department of Veterans Affairs ("VA"), and the Provider rendering services subject to this Agreement ("Provider"), including any ancillary providers referred in the course of services under this Agreement.
3. This Agreement covers healthcare services ("Covered Services") provided to the Eligible Veteran to whom the Provider renders services subject to the Authorization for Care (the "Authorization") provided to the Provider rendering such Covered Services.
4. In rendering the Covered Services subject to this Agreement, Provider attests that the Provider, or any other clinician involved in rendering the services authorized under this Agreement at the direction of the Provider\*:
  - a. has an active, unrestricted license, registration, or certificate in the State in which the Covered Service(s) subject to this Agreement is/are to be performed, as required by applicable State law;
  - b. has not had a professional license, registration, or certification terminated for cause in any State, nor has the Provider voluntarily relinquished a professional license, registration, or certification in any State after being notified in writing by that State of potential termination for cause;
  - c. has a valid and current National Provider Identifier (NPI) number;
  - d. is not excluded from providing Covered Services pursuant to being listed on the Centers for Medicare and Medicaid Services ("CMS") exclusionary list;
  - e. as applicable to the Covered Services being rendered, has a valid and current Drug Enforcement Agency ("DEA") number.

- \* PROVIDER AGREES THAT TO THE EXTENT PROVIDER UTILIZES ANY ANCILLARY OR OTHER PROVIDER(S) TO RENDER SERVICE FOR THE SAME EPISODE OF CARE FOR WHICH PROVIDER HAS ACCEPTED AN AUTHORIZATION, PROVIDER AGREES TO (1) SHARE WITH SUCH OTHER PROVIDER THE TERMS AND CONDITIONS OF THIS AGREEMENT AND THE RELEVANT AUTHORIZATION; AND (2) OBTAIN ADVANCE ASSURANCE FROM OTHER PROVIDER, PRIOR TO OTHER PROVIDER RENDERING ANY SERVICE OR ACCEPTING AN APPOINTMENT, THAT IT WILL ABIDE BY THE TERMS OF THIS AGREEMENT. IF ANY PROVIDER OR OTHER CLINICIAN PROVIDING SERVICES AT THE DIRECTION OF THE PROVIDER WHO DOES NOT MEET ANY OF THE QUALIFICATIONS LISTED ABOVE, TRIWEST WILL DENY THOSE PORTIONS OF THE CLAIM FOR COVERED SERVICES RENDERED BY THE PROVIDER OR OTHER CLINICIAN.
5. With the exception of payments provided pursuant to Paragraph C(2) of this Agreement, Provider agrees to accept as payment for Covered Services rendered One Hundred percent (100%) of the allowable Medicare rates for care authorized by TriWest in a current Authorization for an Eligible Veteran that is the subject of this Agreement. In the event there is no published Medicare rate for hospital care or medical services, Provider agrees to accept as reimbursement for authorized Covered Services, the rates determined by the process and methodology outlined in 38 CFR § 17.55 or 17.56, as applicable. In no instance shall the Provider be reimbursed by TriWest for care not authorized.
  6. Medical Documentation that must be returned to TriWest includes both outpatient and inpatient records. Initial outpatient medical documentation is medical documentation associated with the first appointment of an episode of care. Final outpatient medical documentation is medical documentation that summarizes the results of medical care provided. Initial medical documentation for outpatient care shall be returned within seventy-five (75) calendar days of the initial appointment and final medical documentation of outpatient care shall be returned within seventy-five (75) calendar days of the completion of the episode of care. Medical documentation associated with inpatient care shall be returned within thirty (30) business days and consist of a Discharge Summary. Medical documentation associated with urgent care must be returned within two (2) business days.

**B. COVERED SERVICES**

1. Covered Services are those services authorized or approved by TriWest in its capacity as a contractor to VA in the execution the Program authorized by the Act. Provider agrees to furnish only that care which is duly authorized and medically necessary. If Provider believes that additional care is required that has not been authorized by TriWest, Provider agrees to promptly contact TriWest to request an authorization for any such additional services.

**C. PAYMENT RESPONSIBILITY**

1. Unless otherwise stated clearly on the Authorization for Care to which this Agreement applies, Provider shall submit any claims for Covered Services rendered to TriWest. Veterans shall not be directly billed any amount for any services under this Agreement, except as described in Paragraph 2 of this section.
2. Only when clearly instructed in writing by TriWest, Provider shall first submit claims for Covered Services rendered to the primary commercial health insurance of the Veteran, to the extent the Veteran provides proof thereof. In such instance, Provider shall follow the terms and conditions of the Veteran's commercial health plan related to the collection of applicable copayments, coinsurance, and any other funds owed by the Veteran if proof of eligibility is determined. Following payments received pursuant to the terms of the Veteran's applicable commercial health insurance, TriWest will provide reimbursement to the Provider secondarily to any such commercial health insurance. Said reimbursement, when combined with funds received pursuant to the Veteran's commercial health insurance, shall not exceed the total allowable fees permitted for such Covered Services pursuant to Medicare. If no proof of commercial health insurance is provided by the Veteran, Provider shall submit all claims to TriWest as instructed and collect no funds from the Veteran.
3. Payment is not guaranteed by an Authorization for Care; it is TriWest's policy to detect and prevent any activity that may constitute a compliance concern including fraud, waste, or abuse, following standards set by federal and state law and regulation. All claims must be properly authorized and medically necessary, and not otherwise improper.

**D. CLAIMS SUBMISSION**

1. Claims for Covered Services (other than those submitted to a commercial health insurance plan when required) shall be submitted in accordance with instructions provided on the Veterans Choice Card or as contained in the Authorization for Care to which this Agreement applies.
2. When claims are submitted to TriWest, Provider shall also submit all required medical documentation and other claim-related documents, as described in this letter. TriWest will not pay, and Provider agrees to waive, any costs associated with the aforementioned submission, including but not limited to any copying or handling fees.

**E. TERMINATION OF AGREEMENT**

1. This Agreement shall commence as of the date the Provider accepts an Authorization for Care for the Program from TriWest, and this Agreement shall remain in full force and effect until terminated by either party. Either party may terminate this Agreement at any time for any reason by providing thirty (30) days advance written notice of termination to the other party.

**F. COMPLIANCE WITH FEDERAL LAWS**

1. This Agreement is not subject to the provisions of law governing Federal contracts for the acquisition of goods or services. The Parties to this Agreement are nonetheless subject to all other applicable laws governing the provision of healthcare generally, and submission of healthcare claims for payment specifically.

## Veterans Authorization Reference Sheet

For detailed information visit our provider portal at [www.triwest.com/provider](http://www.triwest.com/provider)

### Covered Services and Eligibility

**Covered Services** - Services listed on the authorization or that are clinically appropriate within the scope of the authorization, and provided within your office and during the validity dates, will be covered.

**Eligibility Verification** - If an authorization is provided, no other eligibility verification is necessary.

### Appointments and Consults

**Appointment Scheduling** - Our team of patient service representatives will call your office to schedule an appointment on behalf of the Veteran. If a Veteran calls your office directly to schedule or change an appointment please notify TriWest at Choice line at 1-866-606-8198.

**No Shows, Missed and Canceled Appointments** - Providers must report all no-shows, missed or canceled appointments by contacting the Choice line at 1-866-606-8198 or faxing the Face Sheet to 1-866-259-0311 or 1-866-284-3736 for Behavioral Health. Providers cannot bill the Veteran, the U.S. Department of Veterans Affairs (VA) or TriWest for no-shows, missed or canceled appointments.

### Claims and Medical Documentation Submission

**Service-Connected Care and Other Health Insurance (OHI)** - Send claims to TriWest only if the rendered care is Service Connected or there is no OHI (Medicare, Medicaid, and TRICARE are not considered OHI for purpose of Veteran care). If the rendered care is NOT Service Connected and OHI exists, send claims to the other insurance carrier first. In either case, no VA copay is to be collected from the Veteran. If the Veteran has OHI and the condition being treated is NOT Service Connected it is appropriate to collect the copay for the other insurance carrier, otherwise it is not allowed to bill the Veteran directly.

**Clean Claims** - A clean claim is a claim that complies with billing guidelines and requirements, has no defects or improprieties, includes substantiating medical documentation as defined by the provider notification packet and does not require special processing that would prevent timely payment. Claims must be submitted no later than 120 days after the date of service or the conclusion of a series of authorized visits.

**Claims Submission** - Electronic claim submissions: TriWest accepts Electronic Data Interchange (EDI) claim submissions through Emdeon for care provided under the Patient-Centered Community Care and Veterans Choice Program. If using a clearinghouse that is not Emdeon you must contact your clearinghouse to obtain a payor ID. Authorization number and Veteran SSN must be included on claims and any correspondence.

**Claims Status** - For claims status, visit the secure Provider Portal at [www.triwest.com/provider](http://www.triwest.com/provider). For questions, **contact the Choice line at 1-866-606-8198**, Monday through Friday, 8:00am - 8:00pm, Central Standard Time, excluding certain holidays.

**Medical Documentation** - Medical documentation is critical to ensuring a complete and full medical history of the Veteran's care is recorded within VA medical record system. Therefore, medical documents must be submitted to TriWest as soon as possible after completion of the initial appointment, and final documentation at the conclusion of the episode of care. Documentation should include lab, imaging and/or pathology reports when any abnormal findings are present. **Fax to 1-866-259-0311 or 1-866-284-3736 for Behavioral Health.**

**Note:** Do not submit claims with medical documentation.
