Re: Effective Nov. 1, 2017, UnitedHealthcare's Choice Plus and Navigate Balanced Plans Will Be Offered to Members of the Washington Education Association*

Dear UnitedHealthcare Provider:

As a participating care provider who currently treats patients that are part of the Washington Education Association (WEA), we want to let you know that as of Nov. 1, 2017, WEA members will no longer have insurance coverage through Premier Blue Cross. Instead, members will have new plan options, including UnitedHealthcare plans – Choice Plus and Navigate Balanced. To help you continue to provide care for your WEA patients who are enrolling in a UnitedHealthcare plan, please review the following information about their plan options.

Select Choice Plus Plans feature:

- Coverage for in-network and out-of-network services
- No required referrals to specialists
- Preventive health care coverage with no patient cost-sharing when care is provided by network care providers

Select Navigate Balanced Plans feature:

- Primary care physician (PCP) selection required from within the Navigate network
- Members pay lower copays when electronic referral to network specialists is completed by PCP
- Members may self-refer to network specialists for higher cost share
- No out-of-network benefits, except emergency services

Advance Notification or Prior Authorization may be required for certain services for both plan options.

To learn more, please call the Care Coordination number on the back of the member's ID card or review the "Commercial Products" or "Notification requirements" section of the 2017 UnitedHealthcare Administrative Guide at UnitedHealthcareOnline.com > Tools & Resources > Policies, Protocols and Guides.

If you have questions, please call Provider Services at **866-842-3210** from 8 a.m. to 8 p.m. Pacific Time, seven days a week. You may also email questions to our local Advocate team at washington_pr_team@uhc.com.

Sincerely,
